

The top 5 ways our chauffeurs are ensuring passenger safety during the Coronavirus pandemic

SOCIAL DISTANCING

Utilising our executive MPV 8-Seater vehicles to comply with the UK Government advice regarding the two metre social distancing measures

Reducing the risk to both passengers and drivers

FACE MASKS

ALL chauffeurs equipped with Medical Grade KN95 FFP2 face masks & ALL passengers provided with NHS approved 3-ply surgical masks on each journey

Preventing the spread of Coronavirus Covid-19

HAND SANITISER

UK made British Standards Institution compliant 80% alcohol-based hand sanitiser available for ALL passengers in every vehicle
Kills 99.99% of bacteria

Sanitise your hands Safely

GLOVES

Our drivers will wear disposable latex or vinyl gloves during every trip so that they remain able to assist with luggage & all your travel requirements

Prioritising the protection of our staff & customers

ANTI-BAC WIPES

Prior to every journey our chauffeurs will sanitise all surfaces inside the vehicle to ensure a clean environment for all

Keeping surfaces safe & sterile
